

C REFLECTION AND REFRACTION**Reading Strategy** *Visualizing*

Read **Reflection and Refraction** on page 204 in your student book. Then complete number 1 and number 2 below.

Visualizing

- ✓ Make a picture in your mind.

1. Reflected light bounces off an object. Moonlight is an example of reflected sunlight. Visualize this in your mind and draw a picture.

2. Refracted light bends when it passes through an object. A straw that looks bent in a glass of water is an example of refracted light. Visualize this in your mind and draw a picture.

D SEEING COLORS**Reading Strategy** *Making Inferences*

Read **Seeing Colors** on page 204 in your student book. Then complete the chart. Infer which types of light each object reflects and absorbs.

Making Inferences

- ✓ Use what you know to make a decision.

Object	Reflects	Absorbs
green leaf	green light	all other colors of light
white coat	1.	2.
red truck	3.	4.
blue car	5.	6.
black tire	7.	8.
